by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 29, is amended by adding the following language as a new, appropriately designated section:

Any philanthropic individual; cooperative, corporation, club, association or organization; or director, trustee or member of the governing body of any such cooperative, corporation, club, association or organization; shall not be liable for any personal injury or damage to property arising at another organization's charitable fundraising event if such individual, cooperative, corporation, club, association or organization supplies only financial sponsorship or support for such charitable fundraising event and was not in any way involved in the management, organization, planning or execution of such event; provided, however, such immunity from suit shall be removed if such financial sponsorship or support constitutes willful, wanton or gross negligence. The provisions of this section shall apply provided the entity managing, planning, or executing the event has provided liability insurance in an amount not less than one million dollars (\$1,000,000) for any one occurrence and three million dollars (\$3,000,000) for all occurrences for any personal injury or damage to property arising out of the event.

SECTION 2. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.
